WELCOME TO HICKSON HOUSE

Nestled beneath the Sydney Harbour Bridge, our craft distillery is where we handcraft our award-winning range of small batch Hickson House gins.

Our mission is to distill the very best that Australia has to offer. Drawing inspiration from the beauty, heritage, and richness of our land, we use custom-made copper pot stills from New South Wales and a selection of native botanicals sourced from across the state and country, often exclusively grown for our distillery.

Join us on a taste journey where every sip and every bite is a celebration of Australia.

Ask our staff about our daily Gin tours.
