FAQ - FREQUENTLY ASKED QUESTIONS

Are underage guests allowed in the venue?

Of course – the kids can tag along! They must, however, always be accompanied by a parent or guardian

What are the accessibility instructions?

Our main bar is at ground level with no steps on entry. For events in High & Dry access is by internal staircase to the mezzanine level, unfortunately we do not have lift access to this space.

Bathrooms are fully accessible and found on the ground floor.

Can I use a microphone or bring my own music?

If hiring the entire venue exclusively we would love you to provide your own playlist, DJ or band. We also have a microphone on-site for those planned or spontaneous speeches.

For events in High & Dry we sadly cannot accommodate external music or the use of a microphone due to the shared AV system with the main bar. Not to worry – we'll do all the hard work for you! There's always tunes playing throughout the venue and we can lower the music temporarily if you'd like to give a speech.

Can I arrive earlier to bump in and when do I have to bump out?

For a full venue exclusive hire a 1.5 hour bump in/out time is included in the minimum spend quoted. Should you or your suppliers require more time just let us know and we can adjust the quote accordingly.

For events in High & Dry you are more than welcome to drop by half an hour earlier to add any final touches. If you're organising an external supplier, please let our team know to expect them half an hour before event kick-off!

Can we organise our own suppliers?

Absolutely. If you have an idea in mind, let our events team know and we can chat through the specifics. We have a range of wonderful suppliers who we are always excited to recommend.

What about dietary requirements?

Simply flag any dietary requirements with our events manager and we can make the necessary changes to ensure all guests leave with a full belly and a new favourite dish or two!
